More debilitating is the tell-tale sign of academic infection. In contrast to the great radical accounts of British history by Christopher Hill and EP Thompson, there is an off-putting tendency ...

### Review: A Radical History of Britain by Edward Vallance ...

The Radical movement arose in the late 18th century to support parliamentary reform, with additional aims including lower taxes and the abolition of sinecures. John Wilkes' s reformist efforts in the 1760s as editor of The North Briton and MP were seen as radical at the time, but support dropped away after the Massacre of St George's Fields in 1768.

### Radicals (UK) - Wikipedia

Vorticism was a short-lived radical art movement in Britain that celebrated urbanity and the age of the machine. Vorticism was a British avant-garde group formed in London in 1914 with the aim of creating art that captured the energy of the modern world. Vorticists were known to be England's first avant-garde artisitc movement.

Arthurian history is traditionally set in the fifth or sixth centuries, the era of the Dark Ages. This is a period in British history that is not simply 'dark' because of an economic and social collapse following the decline and fall of the Western Roman Empire, it is also 'dark' because it lacks any historical records.

### The Grail Cypher: A radical reassessment of Arthurian history

The Spectator's proprietor, Sir Evelyn Wrench, did his bit for the welfare of British soldiers in World War Two.He established a Tobacco Fund with the Overseas League, which he had founded, to provide 1,000 cigarettes for the men at the front for every £1 contributed.

### The radical history of The Spectator | Spectator USA

A Radical History of Britain presents some interesting arguments about how legacies of protests and radicalism are shaped and used by radicals that come after, and it also provides a thorough introduction to the history of radical ideas in Britain. It is not the easiest book to read, but I think it is worth the effort.

### Book Review: A Radical History of Britain by Edward ...

The Early medieval period saw a series of invasions of Britain by the Germanic -speaking Saxons, beginning in the 5th century. Anglo-Saxon kingdoms were formed and, through wars with British states, gradually came to cover the territory of present-day England.

Radical stepped into the realm of politics first in England in the late 18th century, when one Charles James Fox in 1797 called for "radical reform." "Radical reform" was to be fundamental reform, reform that made changes to the very root of the system, especially by pushing for universal male suffrage.

### The History of 'Radical' | Merriam-Webster

The famous detective, Sherlock Holmes, once solved a case by referring to "the dog that did not bark." In the past 250 years of British history, republicanism is another dog that did not bark. This is particularly true of supposedly our most radical major political party, the Labour Party. Over the monarchy, as over constitutional matters generally, Labour's instincts have been conservative.
