ACCA encourages students to take time to read questions carefully and to plan answers but once the exam time has started, there are no additional restrictions as to when candidates may start writing in their answer books. Time should be taken to ensure that all the information and exam requirements are properly read and understood.

I stuck on the final assessment question for strategic planning. There is a spreadsheet with a profit and loss account which needs to be adjusted for 6 different scenarios. The questions seem quite simple to me but all of my answers are currently showing as incorrect. Is anyone else doing this - any guidance would be very much appreciated.
