Against the Odds magazine investigates military history from a broad perspective. The economic, political, religious and social aspects of warfare are examined in concert with events on the battlefield.

North Wind Rain - Against the Odds Magazine, ATO Magazine

Odds in favor of rain: 7 to 3. These odds tell you not only the odds of rain, but also the odds of not raining. If the odds in favor of rain are 7 to 3, then the odds against rain are: Odds against rain: 3 to 7. Another way of saying that is: Odds that it will NOT rain: 3 to 7. You can use this idea in many different situations.
