Alison Britton Seeing Things Collected

Alison Britton: Seeing Things (collected Writing On Art, Craft And Design) Paperback – May 14, 2014 by Sara De Bondt Alison Britton (Author)

Alison Britton: Seeing Things (collected Writing On Art ...

Alison Britton's collected writings review the unstable place of craft in the spectrum of art and design. The texts included in Seeing Things reveal ceramics, her central concern, as an exploratory field that reflects on itself, in dialogue with many other areas of inquiry such as gender and cultural studies. Britton, one of today's leading ceramicists and an adroit and incisive writer, has chosen a range of her own texts from essays to book reviews and interviews, all of which ...

Alison Britton Seeing Things Collected

Seeing Things is a collection of reprinted texts spanning more than three decades of making, curating, and educating from the 1980s to the present-day; and, as her title suggests, here is the artist acting as camera. Britton opens the lens on the field of contemporary craft through a careful selection of exhibition reviews, catalogue essays, and journal articles, at the same time as allowing autonomous histories, motifs, and concerns, to present themselves.
