Australian Mathematics Competition Malaysia

There'd be little correlation. If you score highly on these sorts of competitions, you're more likely to be good at mathematical reasoning, rather than mathematics itself, which means that you'll probably find VCE level mathematics a whole lot easier, but it doesn't mean that you'll go on to score well because there's more to scoring well in VCE Maths than just being good at mathematical ...

Australian Mathematics Competition - ATAR Notes

The Australian Mathematics Competition is a mathematics competition run by the Australian Maths Trust for students from year 3 up to year 12 in Australia, and their equivalent grades in other countries. Since its inception in 1976 in the Australian Capital Territory, the participation numbers have increased to around 600,000, with around 100,000 being from outside Australia, making it the world ...
