## Deconstructing South Park

Deconstructing South Park, itself the most ambitious deconstruction of popular culture to date, analyzes how South Park is not only entertainment, but a commentary on American culture that tackles controversial issues far beyond the depth of most television. Specifically, the medium of animated sitcom allows the show's creators to contribute to cultural conversations regarding disability studies, religion, sexuality, celebrity, and more.

Great comedians, however, take it a step further and make us discover a new way to think about a topic. Parker and Stone are so successful because they're constantly tackling trendy topics and deconstructing them in ultra-critical creative ways. Their anti-establishment humor is how they got Comedy Central to approve first season of South Park.
