Seasonal Art Camps - Artist Within School of Art

The principles of art represent how the artist uses the elements of art to create an effect and to help convey the artist's intent. The principles of art and design are balance, contrast, emphasis, movement, pattern, rhythm, and unity/variety. The use of these principles can help determine whether a painting is successful, and whether or not the painting is finished.

The Principles of Art and Design - LiveAbout

I loved Drawing on the Right Side of the Brain, and was eager to see how 'seeing' like an artist would help in thinking more creatively. While the fundamental material in the book was well-presented (despite some incorrect 18-x figures in the Kindle version), I was greatly disappointed by a lack of concrete examples of results using the methods outlined.
