In Earthly Remains, the twenty-sixth novel in this series, Brunetti's endurance is tested more than ever before. During an interrogation of an entitled, arrogant man suspected of giving drugs to a young girl who then died, Brunetti acts rashly, doing something he will quickly come to regret.

Summary and reviews of Earthly Remains by Donna Leon

Earthly Remains, the 26th novel in Donna Leon's Commissario Guido Brunetti Series, was a bit of a disappointment. I have been a fan of this series since I read the 1st book years ago and Commissario Guido Brunetti has become one of my favorite book characters and of course the way that the author portrays the everyday life of Venice.

Earthly Remains (Commissario Brunetti, #26) by Donna Leon

Alternative Title: geological time scale Geologic time, the extensive interval of time occupied by the geologic history of Earth. Formal geologic time begins at the start of the Archean Eon (4.0 billion to 2.5 billion years ago) and continues to the present day.
