Healing Americas Wounds

Few works have impressed me more than Dawson's Healing America's Wounds. I was lucky enough to have met John Dawson in Dallas years ago and visit with him about this book and his life's experiences. His experiences in south central LA give him credibility to speak on the human destruction from racial division, the causes and how to heal.

In an opinion piece, psychologist Wizdom Powell, Ph.D., explains why it is time to speak unapologetically to Black America's emotional wounds.

The time for radical healing is now

The basic steps of wound healing are: Stopping the bleeding (hemostasis). When your skin is cut, scraped, or punctured, you usually start to bleed. Within minutes or even seconds, blood cells start to clump together and clot, protecting the wound and preventing further blood loss.
