Lockheed submitted an updated proposal that included afterburning capability and a larger emphasis on the F-117N as a multi-mission aircraft, rather than just an attack aircraft.

Lockheed F-117 Nighthawk Stealth Fighter PDF eBook ...

Anyways, I remember reading about and seeing pictures of a plane called the F-119 Stealth Fighter. I even built a model of one when I was a kid. I've been looking all over the internet for this plane, and haven't been able to find it anywhere. It looks very different from the F-117 Nighthawk. It's very flat, and more rounded.

Aviation Forum - F-119 Stealth Fighter
