Solutions Manual For Geometry
Enjoyment And Challenge New
(0395677661) by MCDUGAL
LITTELL

The solutions in this manual match up with the textbook. I was weary of working out all the proofs myself to check my kid's work and provide examples. Although the price was high for a paperback, once I factored in my personal time, it truly made sense to buy the solution guide. Now my kids can check their own work.
