It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Moral Combat Good And Evil

World War II was unique in that it was a war that offered a clear-cut "good and evil" split line. The Nazis didn't just wage a war to destroy human beings, although killing people was central to the Nazi agenda. Hitler was obsessed with destruction -- cities, civilizations, ideas.

"Magnificent. . . . Seldom has a study of the past combined such erudition with such exuberance." —The Guardian "No-one with an interest in the Second World War should be without this book; and indeed nor should anyone who cares about how our world has come about...

Moral Combat on Apple Books

TURN FROM EVIL, DO GOOD. Nitai HaArbeli begins: "Distance yourself from a bad neighbor and do not join with an evil person." The underlying assumption in this statement is that human nature is profoundly good. That's why the main thing for moral and spiritual self-improvement is withdrawal from negative influences.

Human Nature: Inherently Good or Evil? Ethics of the ...

At bottom, this philosophy rested upon the belief that people of good will — “the Beloved Community,” as Mr. Lewis called them — would rouse themselves to combat evil and injustice.
