New Structural Social Work Ideology

The New Structural Social Work presents a coherent and consistent theory of progressive social work. With oppression as its central focus, the text demonstrates the shortcoming of welfare capitalism as a social system and how conventional social work fails to respond to systemic social problems.

The New Structural Social Work: Ideology, Theory, and ...

The New Structural Social Work shows us how social work should, and can, transcend helping clients cope with social problems and include a determined effort to address the source of their problems."--Research on Social Work Practice

The New Structural Social Work: Ideology, Theory, Practice ...

The New Structural Social Work reveals the shortcomings of conventional social work, which accepts and participates in the present social order rather than addressing the systemic social problems that exist within capitalist societies. Mullaly advocates for a progressive view of social work that is practiced within the social agency, outside of the agency, and within the personal lives of structural social workers.

The New Structural Social Work shows us how social work should, and can, transcend helping clients cope with social problems and include a determined effort to address the source of their problems."-- Research on Social Work Practice

The New Structural Social Work: Ideology, Theory, Practice ...

Structural social work theory brings into bold relief the unequal access to the spoils of capitalism, the material realities of disadvantage, and the impact of these inequities on service users. It underscores who gets and who does not. Structural theory goes further to suggest that there is political choice and will in maintaining insufficiency.
