The nurses we are writing for, to those who have found the previous editions of the Pocket Guide helpful, and to other nurses who are looking for help to provide quality nursing care in a period of transition and change, we say, "Nursing Diagnosis is the way." CONTRIBUTOR Sheila Marquez Executive Director Vice President/Chief Operating Officer

Nurse's Pocket Guide

Description: This pocket guide will help students and nurses across all healthcare settings identify nursing diagnoses, priority-based nursing interventions, and associated rationales. It is a valuable resource for nursing students learning to write care plans. The diagnoses contained in this guide, are consistent with the suggested NANDA-I list.
