'Race, Culture, and Education will undoubtedly serve as one of the seminal readings for practitioners, scholars, and researchers whose works are concerned with diversity in education, decision making in the social studies, multicultural education, or global citizenship. This book does an exemplary job of capturing the breadth, depth, complexity, and analytic sophistication of Professor Banks' work.'

Executive Summary. Pervasive ethnic and racial disparities in education follow a pattern in which African-American, American Indian, Latino and Southeast Asian groups underperform academically, relative to Caucasians and other Asian-Americans. These educational disparities mirror ethnic and racial disparities in socioeconomic status as well as health outcomes and healthcare;
