### Randrianja Solofo Ellis Stephen Madagascar

In graceful prose, Solofo Randrianja and Stephen Ellis, both leading historians of Madagascar, elucidate the three main phases of its history: the earliest settlements, the age of kingdoms, and the island's entry into intercontinental systems of commerce and exchange, including over sixty years under French rule.

### Amazon.com: Madagascar: A Short History (9780226704203 ...

'Stephen Ellis and Solofo Randrianja have spent a lifetime studying Madagascar and have written a definitive history. Authoritative and readable, this book is the perfect introduction for those who know little about this vast island and, for those who do, they challenge the accepted versions of its past.'

### Madagascar: A Short History by Solofo Randrianja

Two thousand years ago, Madagascar was probably uninhabited. An island twice the size of Great Britain, it was home to unique species of flora and fauna that were undisturbed by humanity until the first navigators landed on its shores. Since then, the changes imposed by humans on the wide range of environments to be found in this mini-continent have formed one of the threads of Madagascar's ...
