Speaker For The Dead Orson

Speaker for the Dead is a 1986 science fiction novel by American writer Orson Scott Card, an indirect sequel to the novel Ender's Game. The book takes place around the year 5270, some 3,000 years after the events in Ender's Game. However, because of relativistic space travel at near-light speed, Ender himself is only about 35 years old.. This is the first book to discuss the Starways Congress, a ...

In my copy of speaker, Orson Scott Card writes in the introduction: The concept of a speaker arose from my experiences with death and funerals. I have written of this at greater length elsewhere; suffice it to say that I grew dissatisfied with the way that we use our funerals to revise the life of the dead, to give the dead a story so different ...

The speaker for the dead and funerals : ender

No one's life is nothing. Even the most evil of men and women, if you understand their hearts, had some generous act that redeems them, at least a little, from their sins." — Orson Scott Card, quote from Speaker for the Dead. "When you really know somebody you can't hate them.

The Hierarchy of Foreignness was a classification system of humans and other species designed by Valentine Wiggin in her "Letter to the Framlings" as Demosthenes, for classifying how "alien" an individual was relative to a subject. It was organized in four tiers, from least alien to most:

Hierarchy of Foreignness | Ender's Game Wiki | Fandom

In Ender's Game, Ender proved himself the greatest warrior in history by destroying the marauding alien buggers. Then he proved himself the greatest writer in history by taking the name "The Speaker for the Dead" and writing the story of the buggers's Hive Queen and making everyone sorry that Ender had killed the aliens in the first place.
