Read Online The Age Of Wire And String Ben Marcus

"The Age of Wire and String," needless to say, cost money but held no greater stimulus value. Innovation often involves risk, and risk implies occasional failure. Blessings on those who deem this work a success, but for me, "Notable American Women" might have been the wiser choice.

The Age of Wire and String: Marcus, Ben: 9781564781963 ...

The Age of Wire and String is an inexorably strange take on the commonplace. Tying in further to the sense of it being written by an extraterrestrial outsider, it's written as a series of clinically-removed indexes and glossaries and case studies (i.e., stories).

during a time known as the Age of Wire and String, when a particular type of conversation was invented involving wire and string placed over the mouth. Michael seems to be capable of rages, and will hit the family pets.

The Age of Wire and String Characters - BookRags.com

The Age of Wire and String by Ben Marcus, first published in 1995, is one of the strangest works of fiction I have read. What and where is the world it describes with such dedicated observational precision? The language has an almost biblical sonority, and these brief "stories" might seem to offer a set of rules, or a guide to living.

The Age of Wire and String

The Age of Wire and String Quotes Showing 1-3 of 3 "Intercourse with resuscitated wife for particular number of days, superstitious act designed to insure safe operation of household machinery. Electricity mourns the absence of the energy from (wife) within the household's walls by stalling its flow to the outlets.

The Age of Wire and String Quotes by Ben Marcus

Novel in every sense of the word, "The age of Wire and String" is a work that transcends the label of "experimental fiction". While the book is difficult, and at times frustrating in its redistribution of physics, it is a work of unerring discipline in that it maintains, comments upon and eloquently captures its own

internal logic.

The Age of Wire and String: Stories book by Ben Marcus

"In The Age of Wire and String Ben Marcus welds together a new reality from the scrapheap of the past. Dogs, birds, horses, automobiles and the weather are some of the recycled elements in Marcus's first collection - part fiction, part handbook - as familiar objects take on markedly unfamiliar meanings.

The age of wire and string (Book, 2013) [WorldCat.org]

The Age of Wire and String presents as a response in eight sections to an initial "argument" that sets the conditions of the piece. The sections have headings like "Sleep" or "Food" or "Weather". Each has a 'Terms' section closing it off which appears to give definitions for words or phrases.
