The Agile Samurai

The Agile Samurai. Sam Taggart Posted on February 19, 2020 Posted in Book Reviews, Software Engineering No Comments. I was first put onto this book by Fabiola. She mentioned the Inception Deck in one of her presentations. That caused me to do some research and stumble upon the book.

The Agile Samurai - SAS Workshops

Designed for those new to Agile, this course gives students everything they need to get up to speed quickly on working the Agile way. Based on the book, The Agile Samurai, this course shows you: What Agile is. How it works. Which Agile method is right for me? Your role on an Agile project? What makes a good User Story?

Agile Samurai Bootcamp

The Agile Samuraisuggests having a team wall where everyone can see the Inception Deck. In my case that is not practical or useful. We are also in the middle of the year which was planned for a whole year. I am going to suggest we do a mini-planning session and bring as many people as we can do an Inception Deck in the next month or so.

David Tannen - The Inception Deck

By learning the ways of the agile samurai you will discover: how to create plans and schedules your customer and your team can believe in what characteristics make a good agile team and how to form your own how to gather requirements in a fraction of the time using agile user stories
