"The Long Wait" is Spillane's 1951 hardboiled masterpiece. It is a dark, gloomy tale filled with hoods and femme fatales. It is the story of Johnny McBride returning to his hometown after many years away, returning to find every cop and every hood wants him gone or dead and the rest of the town isn't too keen on him hanging around either.

The Long Wait by Mickey Spillane - Goodreads

Math Matters is here to help you. Our goal is to empower children with mathematics! Tools For Parents. Automated Math Academy. Elephant Learning is by far the best education tool we have seen. They use math puzzles and activities to test understanding and teach concepts. Children in their system learn math concepts using manipulatives.

How long it takes to double your money with an investment strategy matters because the shorter the time period, the sooner the power of compounding kicks into high gear (see Exhibit 2 below). The sooner and steadier that growth occurs should lead to better long-term results. Conversely, lower rates
