## **Thriving in College and Beyond: Research-Based Strategies ...**

Thriving in College and Beyond treats the student as a whole person, addressing academic and personal development and encompasses the whole college experience, including success strategies that can be used in the first year of college and beyond. It's written by a diverse team of authors who work in both the 2-year and 4-year college sectors.

## **Thriving in College and Beyond: Research-Based Strategies ...**

When I first went to college in 2009, I struggled. From the outside looking in, my life looked "perfect" and it appeared I was happy and thriving. I was getting straight "A"s, I had joined a sorority and made new friends, and my family back home was healthy. However, something was still missing.

## **Beyond Academics: First Year Student Success Requires ...**

In Thriving in College and Beyond, the authors take what has become a common topic - student success in the first year -- and present it with a new approach. In a variety of forms, the first year experience has become a common topic on college campuses and the textbooks and resources for such a course abound.
