Two Faced Racism: Whites in the Frontstage and Backstage. Racial events that reveal the larger forces of racism in society are common and obvious in the sociospatial realm we term the backstage, especially in situations where whites interact with white friends and relatives. Backstage settings, where interactions typically take place among whites only, involve an array of complex interactions and performances.

"We're all in this together" has become a rallying cry during the coronavirus pandemic. While it is true that COVID-19 has affected everyone in some way, the magnitude and nature of the impact has been anything but universal. Evidence to date suggests that black workers face much more economic and health insecurity from COVID-19 than white workers. Persistent racial disparities in health ...
